The **goal** for this year's "Walk for life" is to raise **\$50,000**. Your support will help CPC Pregnancy Center of Anchorage. CPC Pregnancy Center is a Christ-centered organization dedicated to providing accurate information, services, and support to individuals to help them make informed, life-affirming decisions about pregnancy, sexual integrity, parenting, and post-abortion recovery. CPC is a non-profit corporation that provides help to individuals regardless of marital status, age, race, or religion.

By asking your friends, family and co-workers to be a sponsor, you actively help CPC continue to provide services free of charge. Our vision is to serve our community and **Walk for Life** gives you the opportunity to support your community through the ministry of CPC. Will you be apart of the vision?

Each sponsorship gathered, gets us one **step** closer to our goal. **250 walkers** with sponsorships of **\$200** will achieve our goal of **\$50,000**.

Strollers are welcome! Sorry no bikes or pets

How much money can I raise? That depends on you! Once you get started, you will be surprised at how easy it is. Nine out of ten people will say **YES!** The more people you ask, the more money you will raise. **Who do I ask?** Ask everyone you know. People you know at school, work, church, or at play. How about the people in your community, friends, neighbors, or family members? Remember that most people will want to support you. Just ask.

Do I need to collect the money? YES! You must turn the money in the day of the walk.

What if I can't be there that day? No problem. Just walk on your own and drop your sponsor form and funds in the mail or bring them to CPC.

Life Walk gives you an opportunity to make a difference in someone else's life!

**Will you
take a
stand for
me?**
